

It's back by popular demand... Trick or Treating with the Yorkton Terriers!

The Terriers are excited to once again spend an evening with your family for a night of trick or treating with the kids on Monday, October 31 from 4:30 to 8:00PM. Your Terrier will bring a treat bag full of candy and game tickets, and spend the evening going door to door with your children teaching them safety along with sharing smiles and laughs.

We only have 23 spots available so this will be on a first come, first serve basis. We ask for your Childs favourite Terrier although we can not guarantee the availability of each player. We will contact you with your confirmation. Deadline for registration is Tuesday, October 25th.

Please fill out submission form and email to terriersmarketing@gmail.com or drop off at the Terrier office
